## ABOUT UOBD

UOBD, accredited by the MOE in UAE, opened its doors in September 2018 at Dubai Investments Park (DIP) and offers a range of undergraduate degrees based upon the American model of higher education. The founders of the University chose the University of Balamand (UOB) – Lebanon to manage the university in Dubai and adopted its academic programs.

## WHY UOBD?

UOBD believes that learning occurs not only in the classroom, but also through engagement in campus life and in communities and organizations beyond the university. UOBD is there to provide a holistic education that equips the learner with the necessary skills, knowledge, and abilities to build up a bright future for him personally and for the community. Our dedicated faculty and staff offer the guidance and raise the motivation level to enable a student to become a wise decision maker. Our resources, facilities, research experiences and rich extra-curricular activities ensure that the students spend efficient years and attain a rich successful journey at the time they are learning at UOBD

UOB profound experience will place UOBD among the best universities in the United Arab Emirates and the Arabian Gulf region which is a great challenge for a new institution of higher education that can and will be attained in the coming years.
